Dear Mike:

[] was very pleased to have been included in your recent conference, and said it was quite a success. He is most impressed with your program and students.

[] told me that he discussed the Agency's Summer Intern Program with you and perhaps with []. I am enclosing a descriptive bulletin on that program which you may want to post for your graduate students. You may also want to personally bring it to the attention of those students you believe to be the best potential candidates, as the deadline for applications is very near.

If there is anything I can do, please let me know,

Sincerely,

[]
